Dear Miss Barton!

I have the pleasure of forwarding
to you at her the music of Tschai.
Balk. Bax and Debussy, in two packets,
and I trust you will receive them
in due time.

Permit me to say once more how
much I do admire your playing,
and to repeat that you can't come
back to us too soon.

I have already secured two places for
the Concert in Rotterdam, so that soon H.
and I hope to see (and hear!) you there.

With kindest greetings
Yours sincerely
Walter H. Humphreys
